

Canadian Geographic Adventures launches 2024 travel program hosted by educators, photographers and explorers

FOR IMMEDIATE RELEASE

OTTAWA, September 26, 2023 –The Royal Canadian Geographical Society’s in-house travel program, [Canadian Geographic Adventures](#), launches new small group guided travel experiences across Canada and around the world for 2024.

Guests explore and learn through carefully curated itineraries designed to bridge the intrinsic link between in-depth Canadian Geographic editorial content and inspiring in-field experiences.

Each journey is hosted by an RCGS Ambassador. These world-renowned photographers, explorers, astronauts and Fellows of the RCGS contribute their professional and life experience and share insights into the Royal Canadian Geographical Society, Canadian Geographic, the importance of geographic literacy and the connection of people and place in our ever-changing world.

Each Canadian Geographic Adventure offers the ultimate combination of highly experienced local guides, carefully selected boutique accommodations, extraordinary locally prepared food and access to some of the country’s most magnificent communities and wilderness areas. Every Canadian Geographic Adventures guest is invited to a pre-voyage virtual Canadian Geographic meet and greet and receives a welcome package at the start of their tour.

A selection of experiences from Canadian Geographic Adventures 2024 and its Designated Travel Collection are featured below:
